

Hi all you great Beaumaris people ,

A fantastic result from our Auction/Dance Night last Saturday. You have all helped us to raise an incredible \$10,400.

To all our **coaches and team** managers , all the parents , players and friends (who have all helped in putting this together in all the ways you do) - You guys and gals are just the best and your contribution every year keeps it all running beautifully, thanks.

Thanks to the Auction Night Staff Anne Wilson and her great helper Gerty, thanks to Claudia, Joe Novella for the fish and chips and shenanigans, Gibbo, Little Gibbo, Anna, Sofie, Sharon and Jackie for all their hard work and running around, thanks to Joe Kiss our sensational Vice President who secretly runs the club when you all think it's the committee, and the general committee who work their guts out. To all you guys who have helped me pull the night together the club thanks you all. Ian Lynch and Paul Kelly put in some serious work as well as Susie, Charlie, Zinia and Poppy who popped all the balloons. Thanks to the Committee at BSC they're all magnificent, all put in countless hours to help run the club.

It's on again next year, bigger and better !
